

**Not Forever**

**Jim Crozier**

GM7 GM6 GM7 GM6  
She was going to be my muse, my soul and inspiration,  
Am7 D7 Am7 D7  
but she didn't know how,

Am7 D7 Am7 D7  
Remembering that crazy scene, and what it means,  
GM7 GM6 GM7 GM6  
to anybody now,

GM7 GM6 GM7 GM6  
The past of life, and visions of an erstwhile wife,  
Am7 D7 Am7 D7  
a meaningless vow,

Am7 D7 Am7 D7  
That stormy night, we had a fight,  
GM7 GM6 GM7 GM6  
And knew that things would never be the same.

Vs2:

And now it's been so long, another generation  
reaches into the well,

That silly plan we had, was pretty bad,  
stuff just went to hell,

The beauty of a model, slightly faded,  
Resting there in my bed

I really didn't have a say about what was,  
and what is not forever.
