

Ain't Never Growin' Up

Jim Crozier

Riff: E D E A E D E A

E D E A

Never had a midlife crisis

Cause I never grew up

E D E A

But I'm gettin' these visits from Isis

In the middle of the night

G A

And Peter brings his pan around

We bang and make a racket

B7 B7

Till the sun comes up,

The neighborhood is really gettin' down.

Chorus:

E A E A

Gonna rock the house down

Ain't never growin' up

E A E A

It's all about town

Ain't never growin' up

E A E A

About to come roun'

You're makin' such a fuss

B7 E *Riff:*

Don't let that crazy livin' get you down.

Robbie's playin' on the guitar
Rockin' Jeffery's blowin' saxophone
Trish is on a beer run, gone to town
Still this party night is way too young

Fred, he got a flute
and he gonna' make it right
The chorus line is pumpin'
Everybody gather 'round.
