

HOMEMADE SONGS (1972)

Bobby Charles

G G7
You asked me if I think I'll ever
C C
Make it back down home
C D7 C /
I doubt it 'cause I know I don't belong
G G7
I think I'm gonna stay right here
C C
Cause here's where I belong
C D7 G /
Stayin' stoned and singin' Homemade songs
D7 / C /
I only know one thing for certain
D7 / C /
That I've been down so long I'm hurtin'
G G7
You never could accept my ways
C C
To you I'm always wrong
C D7 C /
Forget about the past now Cause it's gone
G G7
You wonder how I spend my time
C C
And how I get along
C D7 G /
Stayin' stoned and singin' Homemade songs
