

I Don't Want to Know – Bobby Charles

E E7 A A

I don't want to know, who she's seeing now
D D A A
E E7

or how she's getting by, I might start to cry
A A

I might never stop

I don't want to go, to New Orleans no more
D D A A
E E7

I am too afraid, I might see her face
A A

And that I couldn't take

Please don't say a word about what you may have heard
D D
A A

Don't even say her name

I don't want to hear, it might bring the tears
F#m B7
E7 E7

and I don't need the pain

Please don't make me go back to New Orleans no more
D D A A
E E7

I am so afraid, I might see her face
A (A7)

And that I couldn't take.
