

I Spent All My Money Lovin' You - Beth McKee, by Bobby Charles

 G C
I Spent all my money lovin' you
 D7 G
Like a fool – Just like a crazy fool
 G C
I spent all my time bein' true
 D7 G
Like a fool, I spent it all on you.

 D D
I wined you and dined you, seven nights a week
 C C
I bought you diamonds for your fingers, I laid freedom at your feet,
D D
Gave you all the precious love I had inside of me
 C D D///
We were doin' fine, till we ran out of wine.

Spent all my money lovin' you
Like a fool – Just like a crazy fool
I spent all my time bein' true
Like a fool, I spent it all on you.

jam

Well I got you what you want, nothin but the best
And I deprived myself of lots of things I wanted for myself,
I'm the one who opened up your door, showed you the way,
We were doin' great till we just ran out of cake

I spent all my money lovin' you
Like a fool – Just like a crazy fool
I spent all my time bein' true
Like a fool, I spent it all on you.

Chorus 2x more, then Jam and out
