

Last Train to Memphis

Bobby Charles

A / E7
Take the last train to Memphis
E7 / E7
A lonesome whistle in the night

/ /
Ride the Tennessee Eagle
A
Echoes off the river

Take the last train to Memphis
The King is gone but he still lives on

Get the southbound train
Deep in the heart of the people

Take the last train to Memphis
Memphis sits on top of the river

We gonna have a real good time
Right on the Arkansas line

Take the last train to Memphis
They got a lot of good music in Memphis

Put on your dancin' shoes
That's why she's the home of the blues

Ride the Eagle
Ride the Eagle all night long

Get on board
Next stop Graceland's door

You can Ride the Eagle
Cross the Arkansas border by midnight

Get on board
Next stop Graceland's door

jam:

Last train to Memphis
Feel something new that you never will believe
Existed in the deep inside.

You outta take that ride
believe
Existed in the deep inside.

Believe me when I say when your walkin' back home
Tears appear in your eye
You can't find you another good love
That will stay with you the rest of your life.

Take the last train to Memphis
The King is gone but he still lives on

Memphis, Tennessee run
Deep in the heart of the people

Ride the Eagle
Ride the Eagle all night long

Get on board
Next stop Graceland's door

Ride the Eagle
Cross the Arkansas border by midnight

Get on board
Next stop Graceland's door
