```
(Intro rubato - get tempo from singer)
G C G C
             [Bm]
                       Em
It's something that waits in the dawn,
And it's calling out to you.
  [G] [Bm]
                              Em
It's something that breaks out in song,
   A A C D7 D7
And you know, it's not o - ver
  [G] [Bm] Em Em/D
When someone who loves you is gone,
Gives you time to think.
C G G D D C
                                С
                                      G
It's only time,
                    It's only time.
(Sign - Return here for instrumental solo)
 [G] [Bm] Em Em/D
The waking is turning you on,
 С
          C G
Let's get back to life.
G Bm
                         Εm
The music is bringing it on,
A A C D7
And you know, it's not o - ver
G Bm Em
                         Em/D
When someone who loves you is gone,
C C G
Carry on.
C G G D
                     D
                                  С
                                      G
Maybe this time,
                     maybe this time.
    Many times before,
     D
D
                              D
    Life has opened up the door.
                              A7
                                  A7
А
    And as we study hymns of yore,
D7
          D7
                D7 D7
   We find it so.
      Bm
                 Em
                              Em/D
And this time, you know it's for you,
          C
 С
Let's go out and play.
                        C C
C G G
                 D
                     D
This is your time,
                     this is your time.
                                      (DS for solo)
   G G
                     D C C
                 D
This is your time,
                     this is your time.
C G G D
                     C C G
This is your time,
                     this is your time.
     G G
                     D C (rall - as intro)
This is your time,
                     it's only time.
