Everybody knows that the boat is leaking
Everybody knows that the captain lied
Everybody got this broken feeling
Like their father or their dog just died
Everybody talking to their pockets
Everybody wants a box of chocolates
And a long stem rose
Everybody knows

Everybody knows that you love me baby
Everybody knows that you really do
Everybody knows that you've been faithful
Ah give or take a night or two
Everybody knows you've been discreet
But there were so many people you just had to meet
Without your clothes
And everybody knows

Everybody knows, everybody knows E B
That's how it goes C#m
Everybody knows B A E

Everybody knows, everybody knows
That's how it goes
Everybody knows

"Everybody Knows"

And everybody knows that it's now or never C#m
Everybody knows that it's me or you A
And everybody knows that you live forever C#m
Ah when you've done a line or two A
Everybody knows the deal is rotten F#m G#
Old Black Joe's still pickin' cotton B C#m
For your ribbons and bows D

And everybody knows that the Plague is coming
Everybody knows that it's moving fast
Everybody knows that the naked man and woman
Are just a shining artifact of the past
Everybody knows the scene is dead
But there's gonna be a meter on your bed
That will disclose
What everybody knows

And everybody knows that you're in trouble
Everybody knows what you've been through
From the bloody cross on top of Calvary
To the beach of Malibu
Everybody knows it's coming apart
Take one last look at this Sacred Heart
Before it blows
And everybody knows

Everybody knows, everybody knows E B
That's how it goes C#m
Everybody knows B A E

Oh everybody knows, everybody knows
That's how it goes
Everybody knows

Everybody knows
