

A /  
Time can pass and time can heal  
/ / E /  
But it don't ever pass the way I feel  
E / D /  
You went away a long time ago  
E A /  
And why you left I never knew

The lonely days and lonely nights  
Guess the world knows I ain't feelin' right  
And when you're gone the hours pass so slow  
And now I'm still feeling blue

Bridge: E / E / /  
And baby since you've walked out of my life  
E / / A D / E / stop  
I never felt so low, Can't help but wonder why you had to go

A /  
There're many girls but I can't say  
/ / E /  
They come and go but I still feel this way  
E / D /  
And ever since the day you said goodbye  
E / A /  
No one treats me like you used to do

I hope you're out and happy now  
Doing up the town cause you know how  
Every time I hear your name I want to die  
And now I'm still feeling blue

**back to top for solos, back in at bridge**
