Talkin' to the People   Jim Crozier

[Verse 1:]
[Rubato] Dm7   F
I'm so tired of all this bad news,
          G7   D7
Leaves me standin' here singin' this blues.
                    Dm7   F
They come and take, leave nothing to loose.
          G7   D7 **[Tempo]**
Leave them all, just one thing to choose..

[Chorus:]
Dm7   F
   I need to write this,   You need to cite this.
G7   D7
   No way to fight this,   We're going to right this.
Dm7   F
   Down dirty beat this,   Upright defeat this,
G7   D7
Talkin to the people,   Going to Save our world!

[Verse 2:]
[Sparce] Dm7   F
People stand, they call out your name,
          G7   D7
Fear is gone, he's taken the blame,
          Dm7   F
Wisdom scarce, they kill and they mame,
          G7   D7   **[Hit It]**
Message lost, they say that he came.
