Crozier/Harkey

G C G C G C D7 G (repeat for intro)

G C  
She's right with me, I adore her.

G C  
I'm just happy, all in all.

G C  
She's very sweet, my protector,

G C  
I'm out late she gives a call.

D7 D7 G C G C  
And I kinda like the way it is.

G C  
When she sees me she starts smiling

G C  
Asks me what you wanna do?

G C  
If I say, Well, really nothing.

G C  
She says, I'll do nothing too!

And I kinda like the way it is.

Sometimes I ask her if she knows

C C A7 A7  
If I picked her or she picked me.

D D7 D7 D7  
She says she'd tell me if she could.

It's one big mystery.

G C  
We walk the tide's edge in silence,

G C  
Stars are spread out overhead.

G C  
Sparkling sea foam swirls 'round us,

G C  
Not a word needs to be said....
