

Don't Bump Me, Baby!

Jim & Jean Crozier

Chorus:

Don't Bump Me, Baby! Just keep this in mind,
Don't Bump Me, Baby! Like that fella on that big airline,
Don't Bump Me, Baby! This is what you need to do,
When we got plans, let's understand,
It's just me and you!

Verse1:

(oo's under)

You're out each night till half past 10, and **sometimes nearly 3**,
You're jammin' with those guys again, but **Baby, save some time for me**,
So, when we talk and make a date, here's one thing you gotta appreciate,
You're booked already, don't even think 'bout messing with my plans.

Chorus then Jam on Verse:

Verse2:

(oo's under)

Some Whisper of a maybe gig, and you're **willing to leave me flat**,
No matter 'bout our previous plans, And I just **can't go for that**,
I know I married a musician, and your stage life is your Nirvana,
But baby, it just comes a time, you gotta give me what I wanna.

Chorus:

Bridge:

(scat sing under - oo's)

We could take a little camping trip, or **head down to the shore**,
Cuddle up and watch a movie, **who could ask for anything more?**

Chorus, tag and out:
