

Intro: **C D7` G Em7` C D` G** (vamp on riff)

Vs1:

G /
I don't know what time it is, Baby.

C G
You should have come long time ago.

G /
My heart is aching for your sweet hand on my breast,
C D G
Your lips on my ear, just so.

Prechorus:

G /
In this lonely, lonely room surrounding me,

C G
I cry so, I can barely see.

G Em
I wonder, wonder where you are tonight,
C D7 G G7
And hope you come, and make it all right.

Chorus:

C D7 G Em7
Oh - Darlin', It's been so long
C D G /

Baby, Won't you come back home?

C D7 G Em7
Hey Bae, where you been so long?

C Dsus7 G /
Please just come on home!

Jam on verse, prechorus, chorus

Vs2:

I know the music's playing really much too loud,
Don't worry, I could hear you if you rang,
I just finished off the double drink that I just poured,
And keep 'till I don't give a dang.

Prechorus, Chorus 2x, tag and out.
