

Still Pretty Sure

Jim Crozier

Vs1:

(riff along with scat singing/vocalese, and harmony oo's & ah's)

She's got long tan legs, Look pretty special in some cut off blue jeans.

She's got long brown hair, Done up naturally, **Oh-oh-yeah!**

He's got big brown eyes, And floppy ears.

I'm Still Pretty Sure she likes that dog a little better than me.

Vs2:

She walks down the street, the guys all gather just to catch her eye,

She does everything, so perfectly, **Oh-oh-yeah!**

I take him out to walk, so I can get in line

I'm Still Pretty Sure she likes that dog a little better than me.

Bridge:

I'm So thrilled when she comes over, **but it's just to play with him,**

Desire drives me crazy, **really makes my poor heart swim,**

Try to think up special treats, and she just asks me what he eats,

I wonder, **will there ever be a way?**

Vs3:

Was it just luck that I, Reach down to pet him and our fingers meet?

Look up and share a grin, So specially, **aah- hah**

And now we are one, Together every day,

I'm Still Pretty Sure she likes that dog a little better than me.
