

Old Fashion Way
Jim Crozier

And livin' day to day is gettin' easier.

And one more commin' due 'bout any day.
Just livin' on the land and growin' veggies,
And makin' love that good old fashion way.

Well, I've been down and out and on my own before,

And livin' day to day got pretty hard. (Now I've got...)

(chorus, repeat ad lib)
