

Please Don't Text Me When I'm Dead

Jean & Jim Crozier

Chorus:

Please don't text me when I'm dead	G		D
I'm going to a place where it can't be read	D		G
Don't want to mess with your dear sweet head	G7		C
So please don't text me when I'm dead.	G	D7	G

Vs 1:

We all live forever, I've often heard it said	D		G
In our tweets and our posts, 'least that's what I read	A		D7
Virtual eternity? This is what I dread,	G		C
So please dear friend, don't text me when I'm dead.	G	D7	G

Chorus:

Vs 2:

Don't be afraid, to join the active thread
Of those folks seeking, to build a new homestead
in wondrous realms, of worlds yet unsaid
But please dear family, don't text me when I'm dead.

Final Chorus:

Please don't text me when I'm dead	G		D
I'm going to a place where it can't be read	D		G
Don't want to mess with your dear sweet head	G7		C
So please don't text me when I'm dead and gone,	G	D7	G E

Bridge:

Please don't text me, it really does perplex me,	Am	D	Bm	E
If you have things to tell me, tell me now	Am	D	Bm	E
don't wait another day, step up and have your say,	Am	D	Bm	E
Or better yet just put it in a song	C	D	G	

Last verse:

I'm standing here before the pearly gate
It's after hours, guess I'm running late,
Gotta work this gadget to get in,
Won't someone there please Text me my PIN.

(Chorus optional – but probably not)
