

Take it Easy, NYC Jim Crozier

G G#dim7 D B7 E A D

D G D
Well, I went to New York City

D G D
'Cause they said there's music there,

D G D
And I moved down to the Village,

AQ7 A7 D
A little South of Washington Square,

F#7 F#7 Bm Bm
Well, I really wanted to be a Rock 'n Roll Star,

F#7 Bm A
I didn't think I had to go very far,

D G G#dim7 D B7
But they said, "Kid, you gonna have to really play that machine,

E A D
Like you never have done before".

A7 D
But I want to take it easy,

D7
You're pushing too hard,

G Gm D
What is it that you want from me?

A7 D
Yea, I want to take it easy,

D7
You're pushing too hard,

G D2
And they're still up there tryin'

A7 D
the same tricks they played on me.

Well, I lived in that old city,
and I breathed that dirty air,
and I started drivin' taxi,
and learned to live from fare to fare,
And, the people that I'd carry wouldn't go very far,
but, they'd sit and ask ya how ya are,
And, they'd say. "Kid, you gonna have to really play that machine,
Like you never have done before".

But I want to take it easy,
You're pushing too hard,
What is it that you want from me?
Yea, I want to take it easy,
You're pushing too hard,
And they're still up there tryin'
the same tricks they played on me.

(Interlude)

Well, up in New York City,
They're so proud of all their Art,
That they haven't learned to figure,
A dollar bill don't have a heart,
And, I found I didn't want to be a Rock and Roll Star,
I just want to be who ever I are,
And I say, "Kid, your going to learn to play that guitar,
'Cause you know that's where it's at!".

And I'm going to take it easy,
And play it for me,
What you want you can have for free,
Yes, I'm gonna take it easy,
The way that I want,
And they're still up there tryin'
The same tricks they played on me.
